

**HALTON**

**COORDINATED  
SERVICE PLANNING**

one family. one story. **one plan.**

**Are you struggling to manage  
all of your child's services?  
Then Coordinated Service  
Planning may help.**

**Coordinated Service Planning** is for families of children and youth with multiple and/or complex special needs who are:

- A resident of Halton
- Under the age of 18 and young people between the ages of 18 and 21 who remain in school
- Receiving two or more services
- Feeling overwhelmed with coordinating services
- Have limited social/community supports

**Coordinated Service Planning** will provide seamless and family-centred service so that families will:

- Have one point of contact
- Not have to repeat their story
- Have one Coordinated Service Plan

## Your Coordinated Service Planner will:

- Encourage all the agencies involved with your family to **work together as a team**
- Support identified goals and work to ensure that your needs and concerns are heard and respected
- Recommend services and funding resources that could be beneficial for your family
