

Drop-in and “CHAT”

Do you have questions about your child’s behavioural, social or emotional development? Would you like to connect with ROCK for a behaviour consultation or therapy services? Please join us during Drop-in playtime and “CHAT” with a ROCK Consultant.

A "CHAT" session could be:

- an informal "chat" with ROCK Under 6 Consultant or Therapist about any questions parents may have about parenting or their children’s behavioural, social or emotional development or at the parent's request
- a confidential session with a ROCK Under 6 Consultant or Therapist that will take the place of the need to contact ROCK Intake to engage in Behaviour Consultation or Therapy services.

EarlyON staff will provide childcare at the parent's request during this time.
