Client Name: _____

Date of Birth: _____ / _____ / _____
YR MO DY

Parent(s)/Guardians(s): _____

- We have been informed about and understand the services that are available to us. This service has been reviewed with us, with the opportunity to ask questions, and we consent to becoming involved with this service.
- We have been informed about possible risks and benefits associated with receiving services, expected outcomes, as well as reasonable alternative services should the need arise.
- We have been informed that the work that we do together is confidential and that there are limitations to confidentiality, which may occur under certain circumstances that have been described to us.
- We understand that we may discuss any concerns that we have about our services with ROCK staff and that we may withdraw from services at any time.
- We have been informed and have received written information about:
 - Our rights and responsibilities
 - How we can participate in treatment/service planning and goal setting
 - How to access our file and/or personal information
 - How we can make a complaint
- We have been informed about student participation in ROCK services and we understand we may contact the student's supervisor should any questions or concerns arise.

We understand we will be working with _____, under the supervision of _____
