Danielle's Place provides free, group-based support to children and youth at risk of developing an eating disorder and to their family members and loved ones. We offer programs virtually and in-person, from a welcoming, community-based setting. Danielle's Place does not provide treatment, 1-1 therapy or case management

Key Responsibilities

- Facilitate weekly group sessions and/or workshops (typically an evening time commitment)
- Provide affirming supportive experiences to youth to foster a sense of community
- Complete a case notes and attendance record following each group session and submit to Caseworks (ROCK's client database) in a timely fashion
- Work collaboratively with other students and staff
- Daily monitoring and posting on the Danielle's Place social media channels using the Canva and Hootsuite platforms
- Develop monthly newsletters for clients using the Mail-chimp platform
- Attend and chair monthly Youth Advisory Committee at Danielle's Place
- Participate in outreach events in the community e.g., school presentations, fundraising, conferences etc.,
- Participation in supervision with Placement Supervisor to ensure learning goals are met
- Develop new workshops/initiatives for the community
- Attend relevant orientations and trainings at ROCK
- Attend other community committee when requested by Placement Supervisor
- Research and develop trainings and presentations for the community
- Other duties may be reasonably assigned

Required Skills/Qualifications

- Applicants completing their degree in a health or allied health discipline, such as Public Health, Addictions & Mental Health, Social Service Work, Bachelor of Social Work, etc.,
- Prior experience working with children, youth and/or families
- Group facilitation experience with children and/or youth is a significant asset
- Comfortable facilitating in person as well as on Zoom
- Some understanding of Eating Disorders
- Understanding of social media promotion, engagement and comfortable using platforms such as Instagram, Twitter and TikTok
- Comfortable leading a group
- Ability to establish relationships with clients that demonstrate self-awareness and appropriate professional boundaries
- Computer literate
